

# High Scope Base for ESS Chassis System Howa 1500 LA FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

## Attributes

- Name: [MDT High Scope Base for ESS Chassis System Howa 1500 LA FDE](#)
- Manufacturer: [MDT](#)
- Product no.: EU2004290
- Mfr. No.: 102865-FDE
- Action Type: Long
- Colour: FDE
- Material: Aluminum
- Model: 1500
- Number of Bases: 1-Piece
- Weapon type: Howa
- Delivery weight: 0.3kg
- Shipping height: 50mm
- Shipping width: 50mm
- Shipping length: 200mm
- UPC: 709951102152

# MDT High Scope Base for ESS Chassis System

## Safety Instructions

### Introduction

Thank you for choosing the MDT High Scope Base for the ESS Chassis System. This product is designed to enhance your shooting experience by providing a reliable mounting solution for your optics. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Always ensure the product is installed correctly before use.
- Inspect the scope base and optics for damage before each use.
- Follow all manufacturer instructions for your optics and chassis system.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

### Specific Safety Precautions for Use

- Ensure the mounting surface is clean and free of debris before installation.
- Use only compatible optics with the MDT High Scope Base.
- Do not exceed the weight limit specified by the optics manufacturer.
- Avoid using the product in extreme weather conditions unless specified.
- Make sure the recoil lug is properly engaged if applicable.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure you are working in a clean, welllit area.

#### 2. Installation Steps:

- Remove any existing scope bases from the chassis system.
- Position the MDT High Scope Base onto the receiver.
- Align the base with the ejection port and ensure it sits flush.
- Secure the base using the provided screws, tightening them to the manufacturer's recommended torque specifications.

#### 3. Mounting Optics:

- Place your optic onto the mounted scope base.
- Ensure the optic is aligned properly for optimal performance.
- Tighten the optic mounting screws to the recommended torque specifications.

#### 4. Final Check:

- Inspect the installation to ensure everything is secure.
- Check for any signs of misalignment or damage.

#### 5. Usage:

- Use the product in accordance with the guidelines provided by your optics manufacturer.
- Regularly check the scope base and optics for any signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of the product according to local waste management regulations.
- Recycle materials where possible, following your local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's official website or customer service channels.
