

# High Scope Base for ESS Chassis System Browning X-Bolt SA Black

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

## Safety Instructions

### Introduction

Thank you for purchasing the MDT High Scope Base for ESS Chassis System. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your optics. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product documentation.
- Always follow the manufacturer's instructions and guidelines for installation and usage.
- Regularly inspect the scope base for any signs of wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- Store the product in a safe and dry environment when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Only use the MDT High Scope Base with compatible optics and within the specified parameters.
- Check the compatibility of the scope base with your firearm model before installation.
- Do not exceed the recommended torque specifications when mounting the scope base to avoid damage.
- Ensure that all mounting screws are tightened securely before use.
- Be aware of the recoil characteristics of your firearm and ensure that the scope base is properly secured to withstand recoil forces.
- Use eye protection when shooting to safeguard against potential hazards.

### Instructions for Installation and Usage

#### 1. Installation Instructions

- Gather all necessary tools: a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and pointed in a safe direction throughout the installation process.
- Remove any existing scope base if applicable.
- Align the MDT High Scope Base over the mounting holes on the receiver of your firearm.
- Securely attach the scope base using the provided screws. Ensure that they are aligned properly.
- Use a torque wrench to tighten the screws according to the manufacturer's specifications.
- Verify that the scope base is mounted flush against the receiver and there are no gaps.

#### 2. Usage Instructions

- Once the scope base is installed, mount your optics according to the manufacturer's instructions for the scope.
- Adjust the optics for proper eye relief and alignment.
- After mounting, doublecheck all connections to ensure that everything is secure.
- Test the setup at the range to ensure that the scope is properly zeroed and functioning as expected.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options available in your area.

## **Contact Information for Further Support**

For any further assistance or inquiries regarding the MDT High Scope Base for ESS Chassis System, please refer to the product packaging or visit the manufacturer's website for additional resources.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT High Scope Base!
