

# High Scope Base for ESS Chassis System Tikka T3, T3x SA + LA Black

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

# Safety Instruction Guide for MDT High Scope Base for ESS Chassis System

## Introduction

Thank you for choosing the MDT High Scope Base for the ESS Chassis System. This guide provides essential safety instructions and information to ensure the proper use and installation of your product. Please read this guide carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always inspect the product for any visible damage before installation or use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- If you experience any issues or concerns regarding the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to equipment failure or personal injury.
  - The product is designed for specific firearm models. Ensure compatibility before use.
- **Avoiding Hazards:**
  - Follow all installation instructions carefully to avoid incorrect assembly.
  - Do not exceed the recommended weight limit for optics mounted on the rails.
  - Always ensure that the rail is securely attached to the chassis before use.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools before beginning the installation process.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Use the provided screws and hardware to attach the scope base to the chassis system.
- Align the base with the receiver and ensure it is flush against the surface.
- Tighten screws to the manufacturer's recommended torque specifications.
- Verify that the recoil lug is properly seated if applicable.

### 2. Usage:

- Once installed, mount your optics onto the Picatinny rail.
- Adjust the scope as necessary for proper eye relief and alignment.
- Regularly check the tightness of the screws and the integrity of the installation.
- Do not modify or alter the product in any way that could compromise safety.

## Disposal Instructions

- When disposing of the product, follow local regulations for the disposal of metal and aluminum materials.
- Do not dispose of the product in regular household waste.
- Consider recycling the materials if possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT High Scope Base for ESS Chassis System, please contact your local dealer or the manufacturer directly for assistance.

Thank you for prioritizing safety and performance with your MDT product.
