

High Scope Base for ESS Chassis System Savage Axis SA + LA FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

Safety Instruction Guide for MDT High Scope Base for ESS Chassis System

Introduction

Thank you for choosing the MDT High Scope Base for ESS Chassis System. This guide provides essential safety instructions and guidelines to ensure safe usage and installation of the product. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure that this product is used according to the instructions provided. Misuse may lead to accidents or injuries.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check official sources for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with all safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any inquiries regarding safety, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Be aware of the EU Safety Gate system for rapid updates on unsafe products.

Specific Safety Precautions for Use

- **Installation:** Ensure that the scope base is installed correctly to avoid any accidents during use. Follow installation instructions closely.
- **Compatibility:** Verify that the scope base is compatible with your rifle model (Savage Axis SA + LA) before use.
- **Inspection:** Regularly inspect the scope base for any signs of wear or damage. Do not use if damaged.
- **Secure Mounting:** Ensure that all screws and mounts are securely tightened before use to prevent the scope from shifting during operation.
- **Environment:** Use the product in a safe and controlled environment. Avoid using it in adverse weather conditions that may affect visibility or safety.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure that the rifle is unloaded and pointed in a safe direction.

2. Installation:

- Align the MDT High Scope Base with the Picatinny rail on your rifle.
- Securely attach the base using the provided screws. Follow the manufacturer's torque specifications to avoid overtightening.
- Check that the base is flush against the receiver and properly aligned with the ejection port.

3. Scope Mounting:

- Attach your scope to the installed base following the manufacturer's instructions for your specific scope model.
- Ensure that the scope is level and properly adjusted for your shooting needs.

4. **Final Check:**

- Perform a final inspection of the installation to ensure everything is secure.
- Test the scope and base by performing a dry fire in a safe environment to confirm that everything is functioning correctly.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- **Recycling:** If applicable, recycle the aluminum components of the scope base to minimize environmental impact.

Contact Information for Further Support
