

# High Scope Base for ESS Chassis System Lithgow 102 SA FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

# MDT High Scope Base for ESS Chassis System

## Safety Instructions

### Introduction

Thank you for choosing the MDT High Scope Base for the ESS Chassis System. This product is designed to enhance your shooting experience by providing a stable platform for mounting optics. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that all safety precautions are followed during installation and usage.
- Always handle firearms and accessories with care.
- Keep the product and all related equipment out of reach of children and unauthorized users.
- Regularly check the product for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Always verify that the rifle is unloaded before installing or adjusting the scope base.
- Ensure that the scope base is compatible with your rifle model (Lithgow LA102) and action type (Short).
- Use only compatible optics to prevent damage or malfunction.
- Do not exceed the recommended torque specifications when mounting the scope to avoid damaging the base or the optics.
- Be aware of the 20 MOA incline feature, which provides additional elevation adjustment. Ensure that your scope can accommodate this adjustment.
- If a recoil lug is present, ensure it is properly seated to prevent movement during use.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure you have all necessary tools for installation, including a torque wrench.
- Clear your workspace of any unnecessary items to prevent accidents.

#### 2. Installation Steps

- Remove any existing scope mounts from your rifle.
- Clean the mounting surface on the receiver to ensure a secure fit.
- Align the MDT High Scope Base with the mounting holes on the receiver.
- Insert the screws provided with the scope base into the mounting holes.
- Tighten the screws to the manufacturer's recommended torque specifications. Do not overtighten.

#### 3. Scope Installation

- Place your scope onto the MDT High Scope Base.
- Adjust the scope to your preferred position.
- Secure the scope using the provided rings or mounts, following the manufacturer's instructions.

#### 4. Final Checks

- Doublecheck all screws and mounts for tightness.

- Ensure that the scope is properly aligned and that the elevation and windage adjustments function correctly.
- Perform a function check to ensure that the rifle operates safely and correctly with the new scope base installed.

## **Disposal Instructions**

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety, please refer to the manufacturer's website or contact the EU-based service center associated with this product.

Thank you for taking the time to read this safety instruction guide. Enjoy your shooting experience with the MDT High Scope Base for the ESS Chassis System. Stay safe!
