

# Poly-Metal Magazine 308 Win 10 rounds FDE

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The MDT Poly/Metal AICS pattern magazine is constructed with a polymer body fitted to a metal feedlip assembly. This arrangement combines the warmth and light-weight feel of a polymer magazine with the reliability and adjustability of a metal magazine. In addition, the polymer body contains a clear polymer window on each side, allowing the user to confirm whether or not the magazine is fully loaded. Also works with 6 / 6.5 Creedmoor, 6 / 6.5x47 Lapua, 243 Win and 7mm-08. Maximum COL is 2.87". FDE color.

# Safety Instruction Guide for MDT PolyMetal Magazine

## Introduction

Thank you for choosing the MDT PolyMetal Magazine. This guide provides essential safety instructions to ensure the safe use and handling of your magazine. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use.
- Always handle the magazine and ammunition with care.
- Store the magazine in a safe and secure location away from children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- In the event of a recall, follow all instructions provided by the manufacturer.

## Specific Safety Precautions for Use

- Use only compatible cartridges: 308 Winchester, 6 / 6.5 Creedmoor, 6 / 6.5x47 Lapua, 243 Win, and 7mm08.
- Do not exceed the maximum cartridge overall length (COL) of 2.87 inches.
- Always keep the magazine pointed in a safe direction when loading or unloading.
- Do not attempt to disassemble the magazine unless directed by the manufacturer.
- If the magazine malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Pull down the follower using your thumb to create space for the cartridges.
- Insert cartridges into the magazine, ensuring they are oriented correctly.
- Release the follower slowly to allow it to return to its original position.

### 2. Installing the Magazine:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Press the magazine release button or lever on your firearm.
- Gently pull the magazine out of the magazine well.

### 4. Checking the Magazine:

- Inspect the clear polymer window on each side of the magazine to confirm the load status.
- Ensure that the magazine is fully loaded before use.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.
- Contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MDT PolyMetal Magazine, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure the safe and effective use of your MDT PolyMetal Magazine. Always prioritize safety and compliance with local laws and regulations.
