

Picatinny Scope Base 20 MOA Black - MDT Accessories - Rails - Picatinny Scope Base - 20 MOA - Anschutz Model 1712 - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. Most bases work with left-handed actions, too.

MDT Picatinny Scope Base 20 MOA Black Safety Instruction Guide

Introduction

Thank you for choosing the MDT Picatinny Scope Base 20 MOA Black. This product is designed to enhance your shooting experience by providing a stable and secure platform for your optics. To ensure safe use and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This product complies with the EU General Product Safety Regulation (GPSR) to ensure safe use.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices.
- **Online Shopping:** If purchased online, rest assured that this product meets the same safety standards as those sold in physical stores.
- **Special Consumer Focus:** Extra care is taken to ensure that this product is safe for all users, including vulnerable groups.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate system.

Specific Safety Precautions for Use

- Always inspect the scope base for any signs of damage before installation.
- Ensure that the base is compatible with your specific rifle model (Anschutz Model 1712).
- Do not exceed the manufacturer's recommended torque specifications during installation.
- Avoid using the scope base in extreme weather conditions that may affect its performance.
- Keep the scope base and all related components out of reach of children.
- If you notice any issues during use, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench, appropriate screws, and a compatible optic.
- Ensure that the rifle is unloaded and pointed in a safe direction during installation.

2. Installation Steps:

- Align the MDT Picatinny Scope Base with the mounting holes on the receiver of your rifle.
- Use the provided screws to secure the base, ensuring that the recoil lug is properly seated.
- Tighten the screws to the manufacturer's recommended torque specifications. Avoid overtightening, which may damage the base or rifle.

3. Mounting Your Optic:

- Once the scope base is securely installed, position your optic on the base.
- Follow the manufacturer's instructions for mounting the optic, ensuring it is level and properly aligned.
- Tighten the optic mounting screws according to the manufacturer's specifications.

4. Final Checks:

- Doublecheck all screws and connections to ensure everything is secure.
- Perform a test firing at a safe location to verify the alignment and functionality of the scope.

Disposal Instructions

- Dispose of the MDT Picatinny Scope Base in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, seek out recycling facilities that accept aluminum products.
- Ensure that any packaging materials are disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the MDT Picatinny Scope Base 20 MOA Black, please refer to the product packaging for further support information.
