

# M-Lok Picatinny Rail - MDT Accessories - Rails - M-LOK Picatinny Rail - 6.5" (14 slots) - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's M-LOK Picatinny Rails are designed to be a reliable addition to our chassis systems when installing various accessories on your bolt action rifle. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The rails also feature laser etched positioning markers making repeatable set ups easier. They come in a variety of lengths, feature an integral QD flush cup sling mount (on 4" and longer rails) and include the necessary hardware for mounting to M-LOK compatible attachment systems, which are currently integrated in many of our chassis system and forend designs.

# MDT MLoc Picatinny Rail Safety Instructions

## Introduction

Thank you for choosing the MDT MLoc Picatinny Rail. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is suitable for your specific bolt action rifle and chassis system.
- Always check for any visible damage before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only the provided hardware for mounting to MLOK compatible attachment systems.
- Ensure that the rail is securely mounted before attaching any accessories.
- Avoid overtightening screws to prevent damage to the rail and your rifle.
- Regularly inspect the rail and attachments for signs of wear or damage.
- Do not exceed the weight limit specified for the rail when attaching accessories.
- Use eye protection and other safety gear when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and hardware included in the package.
- Ensure your workspace is clean and free from distractions.

### 2. Installation Steps

- Identify the MLOK slots on your chassis system.
- Align the rail with the desired MLOK slots.
- Insert the included mounting hardware into the rail and into the MLOK slots.
- Tighten the screws until secure, but do not overtighten.

### 3. Usage Guidelines

- After installation, check the stability of the rail by gently pulling on it.
- Attach your desired accessories, ensuring they are compatible with the rail.
- Regularly check the tightness of the screws and the condition of the rail.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum materials and firearm accessories.
- Do not dispose of the product in regular household waste.
- Recycle where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please reach out to your local MDT representative or authorized dealer. Ensure you have your product details ready for a more efficient assistance process.

Thank you for prioritizing safety while using the MDT MLoc Picatinny Rail. Enjoy your enhanced shooting experience!
