

M-Lok Picatinny Rail - MDT Accessories - Rails - M-LOK Picatinny Rail - 9.4" (21 slots) - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's M-LOK Picatinny Rails are designed to be a reliable addition to our chassis systems when installing various accessories on your bolt action rifle. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The rails also feature laser etched positioning markers making repeatable set ups easier. They come in a variety of lengths, feature an integral QD flush cup sling mount (on 4" and longer rails) and include the necessary hardware for mounting to M-LOK compatible attachment systems, which are currently integrated in many of our chassis system and forend designs.

MDT MLoc Picatinny Rail Safety Instructions

Introduction

Thank you for choosing the MDT MLoc Picatinny Rail. This product is designed to enhance your bolt action rifle by allowing the installation of various accessories. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure the product is compatible with your rifle and accessories before use.
- Inspect the rail for any visible damage or defects before installation. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for product recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rail is securely attached to the MLOK compatible system before use.
- Do not exceed the weight limit of the rail as specified by the manufacturer.
- Avoid using the rail in extreme weather conditions that may compromise its integrity.
- Use only the hardware provided for installation to ensure proper fit and safety.
- Do not modify the rail in any way, as this may lead to failure and potential injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and hardware included with the rail.
- Ensure the installation area is clean and free of debris.

2. Installation Steps

- Identify the MLOK slots on your chassis system where the rail will be mounted.
- Align the rail with the chosen MLOK slots.
- Insert the screws through the rail into the MLOK slots.
- Tighten the screws securely using the appropriate tool, ensuring the rail is firmly attached.

3. Usage

- Once installed, ensure that all accessories mounted on the rail are secure.
- Regularly check the tightness of the screws to maintain a secure connection.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling the aluminum components where facilities exist.

Contact Information for Further Support

For any questions or concerns regarding the MDT MLoc Picatinny Rail, please refer to the manufacturer's website or reach out to their customer support. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy using your MDT MLok Picatinny Rail responsibly and safely!
