

## Picatinny Rail - MDT Accessories - Rails - Picatinny Rail with QD Sling Cup - 5" - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's Picatinny rails are designed to be a reliable addition to our chassis systems when installing various accessories on your bolt action rifle. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. These rails come in 3 different lengths and feature an integral QD flush cup sling mount on the 2 longer sizes. Screw spacing is 1.6" center to center (common with other reputable rail brands). 10/24 flat head screws in  $\frac{3}{8}$ " and  $\frac{5}{8}$ " length and 10/24 weld nuts for installation on AR15 style handguards included.

# Safety Instruction Guide for MDT Picatinny Rail

## Introduction

Thank you for choosing the MDT Picatinny Rail with QD Sling Cup. This product is designed to enhance the functionality of your bolt action rifle by allowing the attachment of various accessories. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the Picatinny rail and accessories for damage before use.
- Keep this product out of reach of children and unauthorized users.
- Be aware of your surroundings when using the rifle equipped with the Picatinny rail.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Use only the provided 10/24 flat head screws and weld nuts for installation.
- Ensure that the screws are tightened to the manufacturer's specifications to avoid loosening during use.

### • Usage Precautions:

- Do not exceed the recommended load capacity of the rail.
- Ensure that all accessories attached to the rail are securely fastened.
- Avoid using the rifle in adverse weather conditions that may affect the integrity of the rail or accessories.

### • Storage Precautions:

- Store the Picatinny rail in a dry place when not in use.
- Avoid exposing the rail to extreme temperatures or humidity.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools, including a screwdriver suitable for 10/24 screws.
- Align the Picatinny rail with the mounting points on your chassis system.
- Insert the 10/24 flat head screws through the rail and into the chassis.
- Tighten the screws securely, ensuring they are not overtightened to prevent damage.

### 2. Usage:

- Attach your desired accessories to the Picatinny rail.
- Ensure that each accessory is compatible with the rail and securely fastened.
- Test the stability of the attachments before using the rifle.

### 3. Maintenance:

- Regularly check the screws and attachments for any signs of wear or loosening.
- Clean the rail and accessories with a soft cloth to remove dirt and debris.
- Inspect the rail for any signs of damage or corrosion.

## **Disposal Instructions**

- Dispose of the MDT Picatinny Rail in accordance with local regulations regarding electronic and metal waste.
- If the product is damaged beyond use, ensure that it is disposed of in a way that prevents environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Picatinny Rail, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
