

# M-Lok Arca Swiss Rails - MDT Accessories - Rails - M-LOK ARCA Rail - 3.3" - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

Arca Swiss adapters have become the standard for attaching rifles to tripods, bipods and support gear. Need to attach your MDT Chassis rifle to an ARCA interface? Use our M-LOK ARCA Rail. The MDT M-LOK ARCA Rail is Mil-spec Type III hard-black anodized. Available as a standard, flat profile that can adapt to most M-LOK compatible surfaces or as an angled profile that is designed to match the underside profile of the MDT LSS-XL Gen2. Available in multiple lengths.

# MDT MLoc Arca Swiss Rails Safety Instruction Guide

## Introduction

Thank you for choosing the MDT MLoc Arca Swiss Rail. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the MDT MLoc Arca Swiss Rail is installed and used according to the instructions provided in this guide.
- Always inspect the rail for any damage or wear before each use. Do not use if any parts are damaged.
- Keep the rail out of reach of children and pets to prevent accidental injury.
- Use the rail only with compatible MDT chassis rifles and equipment.
- Do not exceed the weight limits specified by the manufacturer for safe operation.
- Always use the rail in a safe environment, away from hazards that could cause accidents.

## Specific Safety Precautions for Use

- Ensure the rail is securely attached to the rifle and tripod or bipod before use.
- Avoid using the rail in adverse weather conditions that may affect stability.
- Be cautious when handling the rifle attached to the rail, as it may shift unexpectedly.
- Always follow safe firearm handling practices when using the rifle mounted on the rail.
- If you notice any unusual sounds or movements while using the rail, stop using it immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by ensuring that the rifle and rail are clean and free from debris.
- Align the MDT MLoc Arca Swiss Rail with the MLoc slots on the chassis.
- Insert the screws provided with the rail into the MLoc slots.
- Tighten the screws using the appropriate tool until secure, ensuring not to overtighten.
- Check that the rail is firmly attached before proceeding to use.

### 2. Usage:

- Attach the rifle to a tripod or bipod that is compatible with the Arca Swiss interface.
- Ensure that the attachment is secure and that the rifle is stable before use.
- Always follow the manufacturer's guidelines for the tripod or bipod being used.
- When not in use, detach the rifle from the rail to prevent accidental discharge or damage.

## Disposal Instructions

- Dispose of the MDT MLoc Arca Swiss Rail in accordance with local regulations.
- If the rail is damaged beyond repair, consider recycling the aluminum material where possible.
- Do not dispose of the rail in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the MDT MLok Arca Swiss Rail, please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you will ensure a safe and enjoyable experience with your MDT MLok Arca Swiss Rail.
