

# M-Lok Arca Swiss Rails - MDT Accessories - Rails - M-LOK ARCA Rail - 7" - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

Arca Swiss adapters have become the standard for attaching rifles to tripods, bipods and support gear. Need to attach your MDT Chassis rifle to an ARCA interface? Use our M-LOK ARCA Rail. The MDT M-LOK ARCA Rail is Mil-spec Type III hard-black anodized. Available as a standard, flat profile that can adapt to most M-LOK compatible surfaces or as an angled profile that is designed to match the underside profile of the MDT LSS-XL Gen2. Available in multiple lengths.

# MDT MLoc Arca Swiss Rails Safety Instructions

## Introduction

Thank you for choosing the MDT MLoc Arca Swiss Rail. This product is designed to enhance your shooting experience by providing a secure attachment point for your MDT Chassis rifle to various support gear. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the rail for any damage or wear before use.
- Do not exceed the weight limits specified for the rail.
- Keep all components away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the rail is properly secured to the rifle before use.
- Avoid using the rail in wet or slippery conditions to prevent accidents.
- Be cautious when attaching or detaching the rifle from the tripod or bipod.
- Always use appropriate protective gear when handling firearms.
- If you experience any issues with the rail, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Surface:** Ensure that the MLOK compatible surface on your MDT Chassis is clean and free from debris.
2. **Align the Rail:** Position the MDT MLOK Arca Rail on the desired location ensuring it aligns with the MLOK slots.
3. **Secure the Rail:**
  - Use the provided screws to attach the rail to the MLOK slots.
  - Tighten the screws evenly to ensure a secure fit without overtightening, which can cause damage.
4. **Check Stability:** After installation, check that the rail is firmly attached and does not move.

### Usage

- Attach your rifle to the tripod or bipod using the Arca Swiss interface.
- Ensure that the connection is secure before using the rifle.
- Regularly check the attachment to ensure it remains secure during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options if available.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the manufacturer directly through the appropriate channels provided with your product.

**Note:** Always stay informed about any recalls or safety alerts related to this product by checking the EU's Safety Gate platform. Your safety is our priority, and we appreciate your commitment to safe practices.
