

# M-Lok Arca Swiss Rails - MDT Accessories - Rails - M-LOK ARCA Rail - 8.6" - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

Arca Swiss adapters have become the standard for attaching rifles to tripods, bipods and support gear. Need to attach your MDT Chassis rifle to an ARCA interface? Use our M-LOK ARCA Rail. The MDT M-LOK ARCA Rail is Mil-spec Type III hard-black anodized. Available as a standard, flat profile that can adapt to most M-LOK compatible surfaces or as an angled profile that is designed to match the underside profile of the MDT LSS-XL Gen2. Available in multiple lengths.

# MDT MLoc Arca Swiss Rails Safety Instruction Guide

## Introduction

Thank you for choosing the MDT MLoc Arca Swiss Rail. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Inspect the rail for any signs of damage or wear before each use.
- Do not exceed the weight limits specified for the rail to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the rail is securely attached to the rifle and tripod/bipod before use.
- Avoid using the rail in extreme weather conditions that may affect its performance.
- Do not modify the rail or use it in ways not intended by the manufacturer.
- Use only compatible accessories with the MLOK ARCA Rail to prevent accidents.
- Be cautious when handling the rail to avoid sharp edges.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the surface where the rail will be installed is clean and free from debris.
- Align the rail with the MLOK slots on your chassis.
- Use the provided screws to attach the rail securely. Ensure all screws are tightened properly.
- Check for stability before attaching any accessories.

### 2. Usage:

- Attach your rifle to the tripod or bipod using the Arca Swiss interface.
- Make sure the attachment is secure before using the setup.
- Regularly check the attachment points for wear or looseness during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum materials where available.

## Contact Information for Further Support

For any inquiries or further assistance regarding the MDT MLoc Arca Swiss Rail, please reach out to the designated support channels provided by the manufacturer.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your MDT MLoc Arca Swiss Rail responsibly!
