MDT Arca Swiss Rails MDT Accessories Bolted ARCA Adapter 6" BLK Safety Instructions

Introduction

Thank you for choosing the MDT Arca Swiss Rails Bolted ARCA Adapter. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues or notice any defects, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure that all screws and fasteners are tightened securely before use.
 - Do not overtighten screws as this may damage the adapter or the mounting surface.
- **Usage Safety:**
 - Avoid using the adapter in extreme weather conditions that may affect its performance.
 - Regularly check the stability of the adapter during use, especially if using heavy accessories.
- **Compatibility:**
 - Only use this adapter with compatible hand guards and forends that have Magpul MOE spaced tapped holes.
- **Weight Limit:**
 - Adhere to the weight limits specified for the accessories mounted on the adapter to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that the surface where the adapter will be mounted is clean and free of debris.
- Align the adapter with the Magpul MOE spaced tapped holes on your hand guard or forend.
- Secure the adapter using the provided screws, ensuring they are tightened but not overtightened.
- Doublecheck the installation for stability and security before use.

2. Usage:

- Attach your Arca accessories to the adapter, ensuring they are securely fastened.
- Adjust the position of the accessories along the 6" section as needed, ensuring proper alignment and stability.
- Regularly inspect the adapter and accessories during use for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Recycle materials when possible, particularly aluminum components.

- Do not dispose of the product in general waste if it can be recycled.

Contact Information for Further Support

For any inquiries regarding product safety or assistance, please refer to the manufacturer's contact options provided with the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Arca Swiss Rails Bolted ARCA Adapter. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
