MDT MLoc QD Sling Attachment Safety Instructions

Introduction

Thank you for choosing the MDT MLoc QD Sling Attachment. This product is designed to enhance the functionality of your AR platform or boltaction chassis systems. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the sling attachment regularly for any signs of wear or damage.
- Do not exceed the recommended weight limits when using the sling attachment.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the MLOK QD Sling Attachment is securely attached before use.
- Avoid using the sling attachment in extreme weather conditions that may compromise its integrity.
- Do not modify the sling attachment in any way, as this may lead to failure and potential injury.
- Use only compatible accessories with the MLOK QD Sling Attachment.
- Be aware of your surroundings and ensure that the sling attachment does not obstruct movement or visibility during use.

Instructions for Installation and Usage

1. Installation:

- Identify the MLOK slots on your forend.
- Align the MLOK QD Sling Attachment with the desired slot.
- Insert the attachment into the slot and rotate the locking mechanism to secure it in place.
- Ensure that the attachment is firmly locked and does not move.

2. Usage:

- Attach your sling to the QD mount by inserting the sling's QD connector into the attachment.
- Ensure that the connector is fully engaged and locked into place.
- Adjust the sling length as needed for comfort and functionality.
- Regularly check the attachment during use to ensure it remains secure.

Disposal Instructions

- Dispose of the product responsibly, following local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the MDT MLoc QD Sling Attachment, please refer to the manufacturer's website or customer service for assistance.
