

# M-Lok QD Sling Attachment - MDT Accessories - M-LOK - QD Sling Mount - Anti Rotation - BLK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Designed to allow the shooter the ability to add an additional QD mount to their forends on AR platforms and bolt action chassis sytems such as our ESS Chassis. This is done by attaching the M-LOK QD mount through any of the M-LOK slots present on the forend. This anti-rotation version allows the QD sling to be attached either vertically or horizontally.

# MDT MLoc QD Sling Attachment Safety Instruction Guide

## Introduction

Thank you for choosing the MDT MLoc QD Sling Attachment. This product is designed to enhance your shooting experience by providing a reliable and secure method to attach a Quick Detach (QD) sling to your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the sling.
- Inspect the sling attachment for any signs of damage or wear before each use.
- Never use the sling attachment in a manner that it was not intended for.
- Keep the sling attachment out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Installation Precautions:**

- Ensure that the MLOK slots are clean and free from debris before installation.
- Use the appropriate tools as specified in the installation instructions to avoid injury.

- **Usage Precautions:**

- Do not exceed the weight limit specified by the manufacturer for the sling attachment.
- Avoid using the sling attachment in extreme weather conditions that may affect its performance.
- Regularly check the attachment point to ensure it remains secure during use.

- **Storage Precautions:**

- Store the sling attachment in a cool, dry place when not in use.
- Avoid exposing the sling attachment to chemicals or harsh cleaning agents.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare the Forend:**

- Identify the MLOK slots on your forend.
- Clean the slots to ensure a secure fit.

2. **Attach the Sling Mount:**

- Align the MLOK QD Sling Mount with the desired slot.
- Insert the provided screws through the mount and into the MLOK slot.

3. **Secure the Attachment:**

- Use a suitable tool to tighten the screws securely, ensuring the mount is stable and does not

rotate.

#### **4. Check Stability:**

- Pull on the sling attachment gently to ensure it is securely fastened before use.

### **Usage Instructions**

#### **1. Attaching the Sling:**

- Attach your QD sling to the mount by pressing the QD button and inserting it into the attachment point.
- Ensure that the sling is locked in place before use.

#### **2. Adjusting the Sling:**

- Adjust the length of the sling as needed for comfort and ease of use.

#### **3. Detaching the Sling:**

- To detach the sling, press the QD button and pull the sling away from the mount.

### **Disposal Instructions**

- Dispose of the MDT MLok QD Sling Attachment in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains any hazardous materials.
- Consider recycling the aluminum components where facilities exist.

### **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please contact the manufacturer directly through the provided contact methods.

Thank you for following these safety guidelines and instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the MDT MLok QD Sling Attachment!
