MDT Magazine Extender for Short Action Metal Magazines Safety Instruction Guide

Introduction

Thank you for choosing the MDT Magazine Extender for Short Action Metal Magazines. This product is designed to enhance the capacity of your AICS metal short action magazines, allowing for a competitive edge in high round count competitions. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only with compatible AICS metal short action magazines.
- Do not exceed the recommended capacity when using the magazine extender.
- Regularly inspect the magazine extender for signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Use only the recommended longer spring/follower combination (product EU2004415) when using with MDT 10round metal magazines.
- Avoid using the magazine extender with damaged or incompatible magazines.
- Do not attempt to modify the magazine extender or the magazines in any way.
- Ensure the magazine is securely attached to the firearm before use.
- Check that the magazine extender is properly seated and locked in place before loading ammunition.

Instructions for Installation and Usage

1. Installation of the Magazine Extender:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the magazine from the firearm.
- Attach the magazine extender to the bottom of the magazine by aligning the extender with the magazine base.
- Press firmly until you hear a click, indicating that the extender is securely attached.

2. Loading the Magazine:

- Use the recommended longer spring/follower combination when loading MDT 10round metal magazines.
- Load the magazine with the appropriate caliber ammunition, ensuring not to exceed the magazine's capacity.
- Check that the ammunition is seated properly within the magazine.

3. Using the Magazine with the Firearm:

- Insert the magazine into the firearm, ensuring it is fully seated.
- Conduct a safety check to confirm that the firearm is in a safe condition before proceeding.

4. PostUse Care:

- After use, remove the magazine and magazine extender from the firearm.

- Inspect both the magazine and extender for any signs of damage or wear.
- Clean the magazine and extender as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the magazine extender in accordance with local regulations regarding the disposal of firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT Magazine Extender, please refer to the product packaging or visit the manufacturer's website for more information. Ensure that you have your purchase information available when seeking support.

By following these guidelines, you can ensure the safe use of your MDT Magazine Extender for Short Action Metal Magazines. Always prioritize safety and compliance with local laws when using firearm accessories. Thank you for your attention to these important safety instructions.
