

# Premier Scope Rings, 30 mm tube diameter - MDT Accessories - Scope Rings - Premier - 30mm - Medium (1.00in) - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The MDT Premier Scope Rings offer a solid mounting system for your optics. Made from precision machined aluminium, these rings are available for the majority of scope sizes and required heights. CMM checked to 1.5 millionths of an inch precision. MDT Premier Scope Rings are designed and manufactured to STANAG 4694 specification, also known as "NATO spec". This means the scope ring sits tight to the top of the scope base rail, with pressure being applied to the underside of the angled rail surfaces to maintain a solid interface. This design also allows mounting on out-of-spec rails.

# MDT Premier Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Premier Scope Rings. These rings provide a reliable mounting system for your optics, ensuring a secure fit and optimal performance. This guide outlines important safety information, installation instructions, and disposal guidelines to ensure your safe and effective use of this product.

## General Safety Guidelines

- Ensure the scope rings are compatible with your specific scope and mounting system.
- Inspect the scope rings for any damage or defects before use.
- Follow all installation instructions carefully to avoid improper mounting.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Verify that the mounting surface is clean and free from debris before installation.
- Do not exceed the recommended torque specifications when tightening the rings.
- Avoid using the scope rings in extreme temperatures or harsh conditions that may affect their integrity.
- Ensure that the scope is securely fastened within the rings before use.
- Regularly check the scope rings for signs of wear or loosening during use.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure you have a clean, welllit workspace.

### 2. Installation

- Place the MDT Premier Scope Rings onto the scope base rail.
- Align the rings with the desired placement for your scope.
- Secure the rings by tightening the screws evenly. Use a torque wrench to adhere to the manufacturer's specifications.
- Doublecheck that the scope is level and properly positioned before final tightening.

### 3. Usage

- After installation, conduct a visual inspection to ensure everything is secure.
- Use the scope as intended, ensuring that it remains securely mounted during operation.
- If you notice any movement or instability, stop using the scope immediately and check the installation.

## Disposal Instructions

- Dispose of the MDT Premier Scope Rings in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling the aluminum material where possible.
- Do not dispose of the product in regular household waste if local laws prohibit it.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT Premier Scope Rings, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

By following these guidelines, you can ensure safe and effective use of your MDT Premier Scope Rings. Thank you for your attention to safety and proper usage.
