

Elite Muzzle Brakes - MDT Accessories - Muzzle Brake - Elite - 6.5CM / .308WIN 5/8-24 - BLK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The MDT Elite Muzzle Brake has 35 degree angled baffles for increased recoil reduction while keeping a more streamlined design. By reducing recoil up to 66% the follow-up shot speed and accuracy is greatly improved while a straight cut through the rear baffle reduces concussive forces. MDT Muzzle Brakes are constructed out of alloy steel with a nitride finish and are provided with an overlapping lock nut. The nut offers some tuneability, as well as the ability to index the brake to make it straight. Perfect for recoil-sensitive shooters. Must be used on threaded barrels.

MDT Elite Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the MDT Elite Muzzle Brake. This product is designed to enhance shooting performance by reducing recoil. It is essential to follow safety guidelines to ensure safe and effective use. This guide outlines important safety information, installation instructions, and proper usage to help you enjoy your product safely.

General Safety Guidelines

- Always ensure that the MDT Elite Muzzle Brake is installed on a threaded barrel before use.
- Keep the muzzle brake and firearm pointed in a safe direction at all times.
- Ensure that the muzzle brake is securely attached before each use to prevent accidents.
- Regularly inspect the muzzle brake for signs of wear or damage. Do not use if damaged.
- Use appropriate eye and ear protection when shooting.
- Store the muzzle brake and firearm in a secure location, away from children and unauthorized users.

Specific Safety Precautions for Use

- **Recoil Sensitivity:** The MDT Elite Muzzle Brake is designed for recoilsensitive shooters. However, always practice safe shooting techniques.
- **Concussive Forces:** The straight cut through the rear baffle reduces concussive forces, but be aware of your surroundings and other shooters nearby.
- **Age Restrictions:** This product should only be used by individuals who are legally allowed to handle firearms. Ensure that minors are supervised by a responsible adult.
- **Environmental Considerations:** Be mindful of your shooting environment. Avoid shooting in areas where the noise may disturb wildlife or other people.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Clean the threads on the barrel to remove any debris or oil.
- Align the muzzle brake with the threaded barrel and screw it on clockwise.
- Use the provided overlapping lock nut to secure the muzzle brake in place. Ensure it is tightened properly.
- Check that the muzzle brake is straight and properly indexed.

2. Usage:

- Before firing, ensure that the muzzle brake is securely installed.
- When ready to shoot, take your position and ensure the firearm is aimed safely.
- Fire the weapon, monitoring for recoil and accuracy improvements.
- After use, inspect the muzzle brake for any signs of loosening or damage.

Disposal Instructions

- Dispose of the MDT Elite Muzzle Brake in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is properly recycled or disposed of to prevent environmental harm.
- Do not throw the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MDT Elite Muzzle Brake, please reach out to the manufacturer or your place of purchase. Ensure you have your product details ready for a quicker response.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Elite Muzzle Brake. Always prioritize safety and be aware of your surroundings when using firearms. Thank you for your attention to these important guidelines.
