Safety Instruction Guide for SCHMEISSER Handguard Free Float MLOK

Introduction

Thank you for choosing the SCHMEISSER Handguard Free Float MLOK. This guide provides essential safety information to ensure the safe use and installation of your handguard. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the handguard.
- Inspect the handguard and all components for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the handguard and all related components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the handguard is compatible with your firearm model (AR15).
- Use only the recommended accessories with the MLOK interfaces to avoid instability or failure.
- Avoid using excessive force when installing or adjusting the handguard to prevent damage.
- Regularly check the tightness of the handguard and accessories during use.
- Do not modify the handguard or its components in any way.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard by following the manufacturer's instructions.
- Align the SCHMEISSER Handguard with the barrel nut and slide it into position.
- Secure the handguard using the provided mounting hardware, ensuring it is tightened to the manufacturer's specifications.
- Check the installation to confirm that the handguard is firmly attached and does not wobble.

2. Usage

- Once installed, familiarize yourself with the handguard and MLOK interfaces.
- Attach accessories such as bipods, handles, or covers as needed, ensuring they fit securely.
- Regularly clean the handguard to maintain its appearance and functionality.
- Monitor the handguard for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the handguard and any components in accordance with local waste disposal regulations.
- Do not dispose of the handguard in regular household waste if it contains hazardous materials.
- Consider recycling the aluminum and steel components where possible.

Contact Information for Further Support

For any questions or concerns regarding the SCHMEISSER Handguard Free Float MLOK, please refer to the

manufacturer's website or contact their customer support for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your SCHMEISSER Handguard Free Float MLOK. Thank you for your attention to safety!
