

# **BARREL CLEANER INTENSIVE - FOR CAL. .22 - Barrel Cleaner intensive, 500 pcs. - for Cal. .22**

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

# Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. .22

## Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE for Cal. .22. This product is designed to provide efficient cleaning for your firearms. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding safety, usage, and disposal of this product.

## General Safety Guidelines

- Always handle cleaning products with care.
- Keep the product out of reach of children and pets.
- Use the product only for its intended purpose.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical advice if irritation persists.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of any unused product responsibly, following local regulations.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the barrel cleaner.
- Do not use the barrel cleaner on hot surfaces or immediately after firing the firearm.
- Avoid using the barrel cleaner in enclosed spaces without proper ventilation.
- Do not mix with other cleaning agents or chemicals unless specified by the manufacturer.
- If you experience any adverse reactions during use, discontinue use immediately and consult a healthcare professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the BARREL CLEANER INTENSIVE and any additional cleaning tools you may need.
- Ensure that your firearm is unloaded and placed in a safe, wellventilated area.

### 2. Using the Barrel Cleaner:

- Take one piece of the BARREL CLEANER INTENSIVE and insert it into the barrel of the firearm.
- Push the cleaner through the barrel using a cleaning rod or similar tool. Ensure that the cleaner moves smoothly without excessive force.
- Repeat the process as necessary until the barrel is clean.

### 3. PostCleaning:

- After cleaning, inspect the barrel for any remaining residue or dirt.
- Dispose of used barrel cleaners according to local regulations.

## Disposal Instructions

- Dispose of used or unused barrel cleaners in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.
- Check with local authorities for specific disposal guidelines related to cleaning products.

## **Contact Information for Further Support**

For further support or inquiries regarding the BARREL CLEANER INTENSIVE, please refer to the contact information provided on the product packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
