

BARREL CLEANER INTENSIVE - FOR CAL. 6MM - Barrel Cleaner intensive, 50 pcs. - for Cal. 6mm

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 6MM

Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE FOR CAL. 6MM. This product is designed to provide efficient cleaning for your firearm's barrel and cartridge chambers. Please read this safety instruction guide carefully to ensure safe and effective use of the product while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the barrel cleaner in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for signs of damage or wear before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe product incidents or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before cleaning.
- Avoid using the barrel cleaner on firearms that are not intended for use with Cal. 6mm.
- Do not use excessive force while cleaning, as this may damage the barrel or the cleaner.
- Store the barrel cleaner in a cool, dry place away from direct sunlight.
- If the product comes into contact with eyes or skin, rinse thoroughly with water and seek medical attention if necessary.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and in a safe condition.
- Gather all necessary materials, including the BARREL CLEANER INTENSIVE and any additional cleaning supplies you may need.

2. Cleaning Process:

- Insert the BARREL CLEANER INTENSIVE into the barrel or cartridge chamber.
- Gently push the cleaner through the barrel, ensuring it makes contact with all surfaces.
- Use a twisting motion to enhance the cleaning effect and ensure that dirt particles are absorbed.
- Repeat the process as necessary until the barrel is clean.

3. PostCleaning:

- After cleaning, remove the barrel cleaner and dispose of it properly.
- Inspect the barrel to ensure it is clean and free of debris.
- Store the barrel cleaner in its original packaging or a safe container for future use.

Disposal Instructions

- Dispose of used barrel cleaners in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding the safety or usage of the BARREL CLEANER INTENSIVE, please contact the manufacturer's customer service or consult the product packaging for additional information.

Thank you for prioritizing safety while using the BARREL CLEANER INTENSIVE FOR CAL. 6MM. Your attention to these guidelines helps ensure a safe and effective cleaning experience.
