

# **BARREL CLEANER INTENSIVE - FOR CAL. 6MM - Barrel Cleaner intensive, 500 pcs. - for Cal. 6mm**

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

# Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 6MM

## Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE for Cal. 6mm. This product has been designed to provide efficient cleaning for your firearm's barrel and cartridge chambers. To ensure your safety and the proper use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Product Safety: This product is designed for safe use and complies with the EU General Product Safety Regulation (GPSR). Always follow the instructions to minimize risks.
- Enhanced Recalls: In case of any product safety issues, standardized recall notices will be provided. Ensure you stay informed about any recalls related to this product.
- Online Shopping: When purchasing online, ensure that the platform meets safety requirements, similar to physical stores.
- Special Consumer Focus: Extra caution is advised for vulnerable groups, such as children. Keep this product out of reach of children.
- EU Contact Point: For any safety inquiries, please refer to the designated EU contact point associated with this product.
- Rapid Alerts: Stay updated on product safety through the EU's Safety Gate platform, which provides rapid alerts on unsafe products.

## Specific Safety Precautions for Use

- Always wear appropriate protective gear, such as gloves and safety glasses, when using the barrel cleaner.
- Do not use the barrel cleaner if you notice any damage or defects in the packaging or product.
- Ensure that the product is kept away from heat sources and open flames.
- Avoid using the barrel cleaner in poorly ventilated areas. Ensure good airflow during use.
- Do not ingest the barrel cleaner or any of its components. This product is not food.
- Keep the barrel cleaner out of reach of children and pets to prevent accidental use.

## Instructions for Installation and Usage

- Before use, inspect the barrel cleaner for any visible damage.
- Insert the barrel cleaner into the barrel or cartridge chamber gently.
- Rotate the cleaner while pushing it deeper into the barrel to ensure it reaches all areas.
- Withdraw the cleaner slowly to allow it to absorb dirt particles effectively.
- Dispose of used barrel cleaners properly according to local regulations.
- Do not attempt to clean the barrel with other cleaning tools, such as brushes or steel wool, as this may cause damage.

## Disposal Instructions

- Dispose of used barrel cleaners in accordance with local waste disposal regulations.
- Do not throw the barrel cleaners in regular household waste. Check for designated disposal sites for hazardous materials if applicable.
- Ensure that the product is disposed of in a manner that prevents environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the customer service information provided by the retailer or manufacturer.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the BARREL CLEANER INTENSIVE for Cal. 6mm. Thank you for your attention to these important guidelines.
