

BARREL CLEANER INTENSIVE - FOR CAL. 8MM - Barrel Cleaner intensive, 500 pcs. - for Cal. 8mm

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 8MM

Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE for Caliber 8mm. This product is designed for efficient cleaning of barrels and cartridge chambers. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear before use.
- Store the product in a cool, dry place away from direct sunlight.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate protective gear, such as gloves and safety glasses, when using the barrel cleaner.
- Do not use the barrel cleaner on any surfaces that are not intended for cleaning barrels.
- Avoid inhaling any dust or particles that may be released during the cleaning process.
- Do not use the barrel cleaner if it shows any signs of damage.
- Ensure proper ventilation in the area where you are using the product to avoid inhalation of any harmful substances.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before starting any cleaning process.
- Gather all necessary cleaning tools and materials, including the BARREL CLEANER INTENSIVE.

2. Using the Barrel Cleaner:

- Insert the barrel cleaner into the barrel or cartridge chamber.
- Push the cleaner through the barrel with a steady motion.
- Allow the porous structure of the cleaner to absorb dirt and debris.
- Repeat the process as necessary until the barrel is clean.

3. PostUse Care:

- Dispose of used barrel cleaners responsibly.
- Clean your workspace after use to ensure no cleaning materials are left behind.

Disposal Instructions

- Dispose of used barrel cleaners according to local regulations.
- Do not throw the barrel cleaner in regular household waste.
- Check with local authorities for specific disposal guidelines related to cleaning materials.

Contact Information for Further Support

For any inquiries or concerns regarding the BARREL CLEANER INTENSIVE, please refer to the manufacturer's contact information provided on the packaging or product insert. Ensure that all questions regarding safety and product use are directed to the appropriate channels.

By following these guidelines, you can ensure a safe and effective cleaning experience with your BARREL CLEANER INTENSIVE. Thank you for your attention to safety, and enjoy using your product responsibly.
