

BARREL CLEANER INTENSIVE - FOR CAL. 8.5MM - Barrel Cleaner intensive, 500 pcs. - for Cal. 8.5mm

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 8.5MM

Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE FOR CAL. 8.5MM. This product is designed to ensure efficient cleaning of barrels and cartridge chambers. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is kept out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you encounter any issues or notice any irregularities, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not use the barrel cleaner on any other calibers or products not specified by the manufacturer.
- Avoid using the barrel cleaner with other abrasive tools, such as steel wool or brushes, as this may cause damage.
- Ensure that the area is wellventilated when using the barrel cleaner to avoid inhalation of any dust or particles.
- Wear protective eyewear to prevent any debris from entering the eyes during the cleaning process.
- If any cleaning residue comes into contact with skin or eyes, wash thoroughly with water and seek medical attention if irritation persists.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before cleaning.
- Gather all necessary cleaning supplies, including the barrel cleaner and protective gear.

2. Using the Barrel Cleaner:

- Insert the barrel cleaner into the barrel or cartridge chamber.
- Apply a gentle backandforth motion to allow the cleaner to effectively absorb dirt and debris.
- Avoid excessive force, as this may damage the barrel or the cleaner.

3. PostCleaning:

- After cleaning, inspect the barrel and chamber to ensure no residue remains.
- Store the barrel cleaner in a cool, dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of used barrel cleaners in accordance with local regulations.
- Do not dispose of in regular household waste. Check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the product or safety concerns, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these guidelines, you can ensure the safe and effective use of the BARREL CLEANER INTENSIVE FOR CAL. 8.5MM. Always prioritize safety and compliance with local regulations when using this product. Thank you for your attention to these important instructions.
