

## **BARREL CLEANER INTENSIVE - FOR CAL. 9MM - Barrel Cleaner intensive, 500 pcs. - for Cal. 9mm**

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

# Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 9MM

## Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE for Cal. 9mm. This product is designed to provide efficient cleaning for your firearm's barrel and cartridge chambers. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is kept out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area.
- Avoid using the product near open flames or sources of ignition.
- Do not ingest or inhale the product; it is not foodsafe.
- Regularly check for product recalls or safety updates on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Wear protective eyewear when using the barrel cleaner to prevent potential eye irritation.
- Do not use the barrel cleaner on firearms that are loaded or not properly secured.
- Avoid prolonged skin contact with the barrel cleaner to prevent irritation.
- Ensure that the firearm is completely unloaded before cleaning.
- Do not mix the barrel cleaner with other cleaning agents or chemicals.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning tools and the barrel cleaner.

### 2. Using the Barrel Cleaner:

- Take one piece of the BARREL CLEANER INTENSIVE.
- Insert the cleaner into the barrel or cartridge chamber.
- Move the cleaner back and forth to allow it to absorb dirt and debris effectively.
- Repeat as necessary until the barrel is clean.

### 3. PostCleaning:

- Dispose of used barrel cleaners according to local waste disposal regulations.
- Store unused barrel cleaners in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of used barrel cleaners in accordance with local waste management regulations.
- Do not dispose of the product in water bodies or open environments.

## Contact Information for Further Support

For any safety inquiries or assistance regarding the BARREL CLEANER INTENSIVE, please refer to the EU contact point for product safety.

Please ensure you follow these guidelines to maintain safety while using the BARREL CLEANER INTENSIVE. Your adherence to these instructions is crucial for your safety and the proper functioning of the product. Thank you for your attention to these important safety measures.
