

BARREL CLEANER INTENSIVE - FOR CAL. 10.3MM - Barrel Cleaner intensive, 30 pcs. - for Cal. 10.3mm

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 10.3MM

Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE designed specifically for Caliber 10.3mm. This product is engineered to provide efficient cleaning of barrels and cartridge chambers. To ensure safe use and optimal performance, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not use the product if it shows signs of damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear protective eyewear when using cleaning products to prevent irritation.
- Avoid inhaling any dust or particles generated during cleaning.
- Do not use the barrel cleaner on hot surfaces or immediately after firing.
- Ensure that the firearm is unloaded and in a safe condition before using the barrel cleaner.
- Follow all local laws and regulations regarding the cleaning and maintenance of firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and safe to handle.
- Gather all necessary materials, including the barrel cleaner and protective eyewear.

2. Using the Barrel Cleaner:

- Insert the barrel cleaner into the barrel or cartridge chamber.
- Move the cleaner back and forth gently to allow it to reach the grooves and absorb dirt.
- Do not use excessive force; let the cleaner do the work.
- After cleaning, remove the barrel cleaner and dispose of it properly.

3. PostCleaning:

- Inspect the barrel and cartridge chambers for any remaining debris.
- If needed, repeat the cleaning process until satisfied with the results.
- Store the barrel cleaner in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of used barrel cleaners in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
