

BARREL CLEANER INTENSIVE - FOR CAL. .45 - Barrel Cleaner intensive, 250 Stk. - for Cal. .45

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. .45

Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE for Caliber .45. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to protect yourself and others.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a barrel cleaner for firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damages or defects before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearm cleaning products.
- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water and seek medical attention if necessary.
- Store the product in a cool, dry place away from direct sunlight and heat sources.

Specific Safety Precautions for Use

- Use the barrel cleaner in a wellventilated area to minimize inhalation of any particles or fumes.
- Wear protective gloves and eyewear to prevent irritation or injury during use.
- Do not mix with other cleaning agents or chemicals, as this may produce hazardous reactions.
- Always use the product according to the manufacturer's instructions provided in this guide.
- Dispose of used cleaning materials responsibly, following local regulations for hazardous waste.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the barrel cleaner and protective equipment.

2. Using the Barrel Cleaner

- Insert the barrel cleaner into the barrel or cartridge chamber.
- Gently push the cleaner back and forth to ensure it reaches all areas.
- Allow the cleaner to absorb dirt and debris for a few moments.
- Remove the barrel cleaner from the firearm and inspect for cleanliness.

3. PostUse Care

- Clean any remaining debris from the barrel.
- Store the barrel cleaner in its original packaging in a secure location.
- Wash hands thoroughly after handling the product.

Disposal Instructions

- Dispose of used barrel cleaners and any cleaning materials in accordance with local regulations.
- Do not dispose of cleaning products in household waste or down the drain.
- Check with local waste management authorities for guidelines on hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BARREL CLEANER INTENSIVE, please refer to the official product website or contact your local distributor.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
