

BARREL CLEANER INTENSIVE - FOR CAL. 12 GAUGE - Barrel Cleaner intensive, 25 pcs. - for Cal. 12 Gauge

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 12 GAUGE

Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE for Cal. 12 Gauge. This product is designed to provide efficient cleaning for your firearm. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear on the product before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate protective gear, such as gloves and eye protection, when using cleaning products.
- Avoid using the barrel cleaner on hot surfaces or in the presence of open flames.
- Do not ingest the product or use it near food or beverages.
- Ensure proper ventilation in the area where the product is being used to avoid inhaling any dust or particles.
- Do not use the barrel cleaner if it appears damaged or if the packaging is compromised.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the barrel cleaner and any additional cleaning tools you may need.

2. Using the Barrel Cleaner:

- Take one piece of the BARREL CLEANER INTENSIVE.
- Insert it into the barrel or cartridge chamber, ensuring a snug fit.
- Gently push the cleaner through the barrel or chamber, allowing it to absorb dirt and debris.
- Repeat as necessary until the desired cleanliness is achieved.

3. PostCleaning:

- Remove the barrel cleaner from the firearm.
- Dispose of used barrel cleaners responsibly, following local waste disposal regulations.

Disposal Instructions

- Dispose of used barrel cleaners in accordance with local regulations regarding hazardous waste.
- Do not throw used products in regular household waste unless specified by local guidelines.

Contact Information for Further Support

For any inquiries regarding the safety and use of the BARREL CLEANER INTENSIVE, please contact the designated EU contact point for assistance.

By following these guidelines, you can ensure a safe and effective cleaning process for your firearm. Thank you for your attention to safety and for choosing our product.
