# Safety Instruction Guide for SEAT FELT with Leather Straps

## Introduction

Thank you for choosing the SEAT FELT with leather straps from VFG. This product is designed to provide a warm and dry seating experience. To ensure your safety and satisfaction, please read this safety instruction guide carefully before use.

## General Safety Guidelines

- Ensure that the seat felt is used only for its intended purpose as a seating accessory.
- Inspect the seat felt for any signs of damage before each use. Do not use if damaged.
- Keep the seat felt away from open flames or extreme heat sources.
- Store the seat felt in a dry place when not in use to maintain its quality.
- Follow all local regulations regarding the use and disposal of textile products.

## Specific Safety Precautions for Use

- Do not allow children to use the seat felt without adult supervision.
- Avoid using the seat felt in wet conditions to maintain its waterrepellent properties.
- Ensure that the shoulder strap is securely attached before use to prevent accidents.
- Do not overload the seat felt beyond its intended capacity.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the seat felt from its packaging. Check for any visible damage.
2. **Shoulder Strap Adjustment:**
  - If using the shoulder strap, adjust it to fit comfortably across your body.
  - Ensure that the strap is not twisted and is securely fastened.
3. **Usage:**
  - Place the seat felt on a flat, stable surface before sitting.
  - Ensure that there are no sharp objects or debris underneath that could damage the felt.
4. **Cleaning and Maintenance:**
  - Clean the seat felt with a damp cloth. Do not use harsh chemicals or abrasive materials.
  - Allow the felt to air dry completely before storing it.

## Disposal Instructions

- Dispose of the seat felt in accordance with local waste disposal regulations.
- If the felt is no longer usable, consider recycling it if possible. Check with local recycling centers for guidance.
