Safety Instruction Guide for Magnetic Felt Jaws for Vice

Introduction

Thank you for choosing the Magnetic Felt Jaws for Vice by VFG. These jaws are designed for the safe and gentle clamping of barrels and rifles in a vice. This guide provides important safety instructions and guidelines to ensure the safe use of this product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the Magnetic Felt Jaws in accordance with the manufacturer's instructions.
- Ensure that the vice is securely mounted before use.
- Regularly inspect the Magnetic Felt Jaws for signs of wear or damage.
- Keep the work area clean and welllit to avoid accidents.
- Ensure that all users are aware of the safety guidelines and how to use the product properly.
- Store the Magnetic Felt Jaws in a safe place, out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Do not exceed the recommended jaw width of 150mm when clamping objects.
- Avoid clamping objects that are excessively heavy or unstable.
- Ensure that the surface of the object being clamped is clean and free from debris.
- Never leave the clamped object unattended while in the vice.
- Use protective eyewear when working with tools and machinery.
- If any part of the Magnetic Felt Jaws becomes damaged, discontinue use immediately and replace them.

Instructions for Installation and Usage

1. Installation:

- Ensure the vice is securely mounted to a stable work surface.
- Align the Magnetic Felt Jaws with the jaws of the vice.
- Press the Magnetic Felt Jaws firmly against the vice jaws to ensure a secure fit.

2. Usage:

- Place the object to be clamped between the Magnetic Felt Jaws.
- Slowly close the vice until the object is held securely, but do not overtighten.
- Check the stability of the clamped object before proceeding with any work.
- After use, carefully open the vice and remove the clamped object.

Disposal Instructions

- Dispose of the Magnetic Felt Jaws in accordance with local regulations.
- Do not dispose of the product in general household waste.
- If the product is damaged beyond use, consider recycling the materials if possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Magnetic Felt Jaws for Vice, please contact the manufacturer or refer to the product documentation. Ensure you have the product details available when seeking assistance.

Important Note: This guide is intended to provide essential safety information. Always follow local regulations and guidelines when using tools and equipment. Report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.
