

# ESS Chassis System Kit Remington 700 SA RH Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Remington 700

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

### General Safety Guidelines

- Ensure that all components are compatible with your specific Remington 700 model.
- Always handle firearms with care and follow standard firearm safety practices.
- Store the chassis system and all firearm components in a secure location away from children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- If you notice any abnormalities, do not use the product and contact a qualified gunsmith or the manufacturer.

### Specific Safety Precautions for Use

- **Hazard Identification**
  - Potential hazards include improper installation, misuse of the chassis system, and failure to follow safety protocols.
- **Avoiding Hazards**
  - Always ensure that the firearm is unloaded before installing or adjusting the chassis system.
  - Do not exceed the manufacturer's specifications for weight and accessories.
  - Ensure that the magazine is securely inserted before use.
  - Never place your finger on the trigger until you are ready to fire.
- **Age Specific Warnings**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

### Instructions for Installation and Usage

#### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 by unscrewing the action screws.
- Align the action of the rifle with the Vblock bedding system in the MDT chassis.
- Secure the action using the provided screws, ensuring it is properly seated.
- Attach the adjustable buttstock and AR pistol grip according to the manufacturer's instructions.
- Adjust the buttstock and cheek rest to fit your preference using the thumb wheels.

#### 2. Usage

- Always check that the firearm is functioning correctly before each use.
- Use the ambidextrous magazine latch to insert and remove the magazine.
- Utilize the barricade stop to prevent pressure on the magazine during use.

## Disposal Instructions

- Dispose of the chassis system in accordance with local regulations for metal recycling.
- Ensure that all components are removed from the chassis before disposal.
- If the product is damaged beyond repair, contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For safety inquiries or assistance, please refer to the manufacturer's contact details provided with the product packaging or on the official website.

**Note:** This guide is intended to assist you in the safe use of the MDT ESS Chassis System Kit for Remington 700. Always prioritize safety and follow all relevant guidelines and regulations.
