

# ESS Chassis System Kit Remington 700 SA RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# Safety Instruction Guide for MDT ESS Chassis System Kit Remington 700

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides essential safety instructions and precautions to ensure the safe use of your product. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- Ensure you read and understand all instructions before using the product.
- Follow all safety guidelines to reduce the risk of injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle the chassis system with care to avoid injury.
- Ensure that the rifle is unloaded before installation or adjustments.
- Use proper eye protection when handling or adjusting the chassis.
- Do not exceed the manufacturer's specifications for weight and accessories.
- Ensure that the magazine is securely inserted before use.
- Be cautious when making adjustments to the buttstock and cheek rest to avoid pinching fingers.
- When using the barricade stop, ensure it is secure to prevent unintended movement.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Gather all necessary tools and ensure you have a clean workspace.
- Verify that you have all components of the MDT ESS Chassis System Kit.

#### 2. Assembling the Chassis:

- Attach the 15" forend to the chassis base using the provided screws.
- Ensure all screws are tightened securely but do not overtighten.

#### 3. Installing the Buttstock:

- Slide the adjustable buttstock onto the rear of the chassis.
- Adjust the buttstock to your desired length of pull using the thumb wheels.

#### 4. Attaching the Pistol Grip:

- Remove the existing grip from your Remington 700 if applicable.
- Install the AR pistol grip onto the chassis, ensuring it is firmly secured.

#### 5. Adjusting the Cheek Rest:

- Adjust the cheek rest height to suit your shooting position using the thumb wheels.

#### **6. Final Check:**

- Perform a final inspection to ensure all components are securely attached and adjusted to your preference.

### **Usage**

- Always check that the rifle is unloaded before making any adjustments.
- Familiarize yourself with the operation of the magazine latch and ensure it is functioning correctly.
- When using the rifle, maintain a proper shooting stance and grip.
- After use, clean the chassis and inspect for any signs of wear or damage.

### **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.
- Consider recycling components where possible.

### **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact your local distributor.

#### **Important Note:**

This guide is intended to promote safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please ensure that you adhere to all safety guidelines and report any unsafe products or incidents to the relevant authorities. Regularly check for updates regarding product recalls on the EU's Safety Gate platform.
