

# ESS Chassis System Kit Remington 700 SA RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Remington 700

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Handling:** Always handle the chassis system with care. Ensure that the rifle is unloaded before installation or adjustment.
- **Installation:** Follow the installation instructions precisely to avoid improper assembly, which could lead to malfunction.
- **Adjustments:** Make all adjustments (e.g., buttstock length, cheek rest height) while the rifle is pointed in a safe direction and the action is open.
- **Magazine Safety:** Ensure that the magazine is properly seated in the well before use. Avoid putting pressure on the magazine during operation.
- **Ambidextrous Features:** Be cautious when using the ambidextrous magazine latch to avoid accidental discharge.

### Instructions for Installation and Usage

#### 1. Installation:

- Remove the existing stock from the Remington 700.
- Align the action of the rifle with the Vblock bedding system of the MDT ESS Chassis.
- Secure the action using the provided screws, ensuring a snug fit.
- Attach the magazine well, ensuring it is properly aligned for easy insertion.

#### 2. Adjustments:

- **Buttstock:** Adjust the length of pull and lateral adjustment using the thumb wheels located on the buttstock.
- **Cheek Rest:** Adjust the cheek rest height by turning the thumb wheel located on the side of the cheek rest.

#### 3. Usage:

- Load the magazine and insert it into the magazine well until it clicks into place.
- Ensure the rifle is in a safe position before loading ammunition.
- Use the barricade stop to stabilize the rifle when shooting from a rest or barricade.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center for proper disposal.
- Ensure that any detachable components, such as the magazine, are also disposed of responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis System Kit, please consult the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure the safe and effective use of your MDT ESS Chassis System Kit for the Remington 700. Thank you for prioritizing safety!
