

ESS Chassis System Kit Remington 700 SA RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

Safety Instruction Guide for MDT ESS Chassis System Kit Remington 700

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides important safety information and instructions to ensure the safe use and installation of your product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for the intended purpose as described in the product documentation.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Store the product in a safe place, out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Use protective eyewear and hearing protection while using firearms equipped with the chassis system.
- Report any unsafe product incidents or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Do not use the chassis system if any components are damaged or missing.
- Avoid placing excessive pressure on the magazine while using the barricade stop feature.
- Use only compatible magazines with the chassis system to prevent malfunction.
- Always operate the magazine latch with care to avoid accidental discharge.
- Be cautious when making adjustments to the buttstock and cheek rest to avoid pinching fingers.
- Do not modify the chassis system beyond the manufacturer's specifications.

Instructions for Installation and Usage

1. Installation of the Chassis System:

- Ensure the firearm is completely unloaded.
- Remove the existing stock from the Remington 700.
- Align the action of the firearm with the Vblock bedding system of the chassis.
- Secure the action using the provided screws, ensuring a snug fit without overtightening.
- Install the magazine well, ensuring proper alignment for magazine insertion.

2. Adjusting the Buttstock:

- Locate the thumb wheels on the buttstock.
- Adjust the length of pull by turning the appropriate thumb wheel clockwise to increase length or counterclockwise to decrease.
- Adjust the lateral position of the butt pad by turning the lateral adjustment wheel for optimal comfort.

3. Adjusting the Cheek Rest:

- Use the thumb wheels to adjust the height of the cheek rest.
- Ensure that the cheek rest is positioned comfortably for your shooting style.

4. Using the Magazine:

- Insert the magazine into the magazine well until it clicks into place.
- Ensure the magazine is secure before attempting to load ammunition.
- To remove the magazine, operate the ambidextrous magazine latch with your trigger finger or left hand.

5. General Usage:

- Always maintain proper firearm handling practices while using the chassis system.
- Regularly clean and maintain the chassis system to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the chassis system in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details on hand to facilitate support.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT ESS Chassis System Kit!
