## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearm modifications and use.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- If you experience any issues or concerns while using the product, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Use the provided adjustable buttstock to ensure a proper fit and comfort while aiming.
- Do not exceed the manufacturer's specifications for the lengthofpull and cheek rest adjustments.
- Be cautious of the magazine well area, ensuring that no obstructions are present during magazine insertion.
- Avoid placing excessive pressure on the magazine when using the barricade stop.
- When using the ambidextrous magazine latch, ensure that your fingers are clear of the action area.
- Always wear appropriate eye and ear protection when firing.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 according to the manufacturer's instructions.
- Align the MDT ESS Chassis System Kit with the rifle action and secure it using the provided screws.
- Adjust the buttstock and cheek rest to your preferred settings using the thumb wheels.

### 2. Usage

- Before each use, check that all components are securely fastened and functioning correctly.
- Insert the magazine into the magazine well until it clicks into place.
- Ensure that the barricade stop is positioned correctly to avoid any pressure on the magazine.
- When ready to fire, maintain a proper shooting stance and ensure that your finger is off the trigger until you are prepared to shoot.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories and materials.
- If the product is damaged beyond repair, consider recycling materials where possible to minimize environmental impact.
