

# ESS Chassis System Kit Remington 700 LA RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Remington 700 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides essential safety instructions to ensure your safe and effective use of the product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle firearms with care and follow all local laws and regulations regarding firearm use and safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you experience any issues or concerns with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Use proper eye and ear protection when handling firearms.
- Be mindful of your surroundings and ensure a safe shooting environment.
- Avoid any modifications to the chassis system that are not recommended by the manufacturer.
- When adjusting the buttstock and cheek rest, ensure that all adjustments are secure before use.
- Do not exceed the manufacturer's specifications regarding compatible accessories and attachments.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Remington 700 according to the manufacturer's instructions.
- Align the MDT ESS Chassis System with the action of the firearm.
- Securely attach the chassis using the provided screws and tools, ensuring that all connections are tight.

### 2. Adjusting the Buttstock:

- To adjust the length of pull, locate the thumb wheels on the buttstock.
- Rotate the thumb wheels to extend or shorten the buttstock as needed for your comfort.
- For lateral adjustment, loosen the appropriate adjustment knob and reposition the buttpad to fit your shoulder.

### 3. Adjusting the Cheek Rest:

- To modify the height of the cheek rest, locate the thumb wheels on the cheek rest.
- Rotate the thumb wheels to achieve the desired height for proper eye alignment with your optic.

### 4. Magazine Insertion:

- Ensure the magazine is compatible with the chassis system and your Remington 700.

- Align the magazine with the magazine well and push firmly until it clicks into place.
- Test the magazine latch to ensure it operates smoothly.

#### **5. PostInstallation Check:**

- After installation, perform a thorough check to ensure all components are securely attached and functioning correctly.
- Conduct a test fit with the magazine to confirm proper alignment and operation.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding waste and recycling.
- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent any hazards.
- Do not attempt to dispose of the product in a manner that could cause environmental harm.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product issues, please refer to the manufacturer's contact details provided with the product packaging.

## **Conclusion**

Your safety and satisfaction are our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with the MDT ESS Chassis System Kit for your Remington 700. Thank you for your attention to these important safety measures.
