

ESS Chassis System Kit Remington 700 LA RH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

Safety Instruction Guide for MDT ESS Chassis System Kit Remington 700

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the chassis system.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the chassis system for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using the chassis system.
- If you notice any unusual behavior or performance issues with the chassis system, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis system.
- Use only compatible magazines as specified in the product description.
- Do not modify the chassis system or any of its components without consulting the manufacturer.
- Ensure the buttstock is properly adjusted to fit the user before use.
- Avoid placing excessive pressure on the magazine when the rifle is in use.
- Use caution when adjusting the cheek rest and buttplate to prevent injury.

Instructions for Installation and Usage

1. Installation of the Chassis System:

- Ensure the firearm is unloaded.
- Remove the existing stock from the Remington 700.
- Align the action of the rifle with the chassis system and secure it using the provided screws.
- Attach the magazine well to the chassis system as per the included instructions.

2. Adjusting the Buttstock:

- Loosen the adjustment screws located on the buttstock.
- Adjust the length of pull and cheek rest height to suit your preference.
- Tighten the screws securely after making adjustments.

3. Using the Magazine:

- Insert the magazine into the well until you hear a click.
- Ensure the magazine is seated properly before using the firearm.
- To remove the magazine, press the ambidextrous magazine latch and gently pull the magazine out.

4. Final Checks Before Use:

- Perform a safety check to ensure the firearm is in proper working order.

- Confirm that all adjustments are secure and that the chassis system is functioning as intended.

Disposal Instructions

- When the chassis system reaches the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consult local authorities for proper disposal methods, especially regarding aluminum materials.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided by the manufacturer or visit their official website. Always ensure that you are using the latest version of the product guidelines for your safety and compliance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit Remington 700. Thank you for your attention to these important safety measures.
