

# **ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH requires 3.85" magazine - MDT Chassis - ESS System - Savage - LA 3.850 - RH - BBZ**

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage CIP 338 Lapua Magnum rifle. This product is designed to enhance your shooting experience with superior ergonomics and features. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store your firearm securely when not in use, and ensure that ammunition is stored separately.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.
- Use appropriate eye and ear protection while shooting.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Regularly inspect your MDT ESS Chassis System Kit for any signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure that the magazine is correctly inserted before attempting to operate the firearm.
- Do not modify the chassis system or any component unless specifically instructed by the manufacturer.
- Avoid using the rifle in adverse weather conditions that may affect performance or safety.
- Always check that the buttstock and forend are securely attached before use.
- Be cautious when adjusting the buttstock or cheek rest to avoid pinching fingers.
- Ensure that the barricade stop is properly positioned to prevent pressure on the magazine during use.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Remove the existing stock from your Savage 110 rifle.
- Align the action of the rifle with the Vblock bedding system in the chassis.
- Secure the action using the provided screws, ensuring a snug fit.
- Attach the adjustable buttstock to the rear of the chassis and secure it according to the manufacturer's instructions.

### 2. Adjusting the Buttstock and Cheek Rest:

- To adjust the length of pull, use the thumb wheel located at the rear of the buttstock.
- For lateral adjustment of the buttpad, turn the thumb wheel on the side of the buttstock.
- To adjust the height of the cheek rest, turn the thumb wheel located on the cheek rest itself.

### 3. Magazine Loading and Insertion:

- Ensure the rifle is pointed in a safe direction and the safety is engaged.
- Insert the magazine into the well, ensuring it clicks into place securely.
- To remove the magazine, press the ambidextrous magazine latch using your trigger finger or left hand.

### 4. Using the Chassis System:

- Always maintain a proper shooting stance and grip.
- Use the barricade stop to stabilize your position when shooting from a rest.

- After use, ensure the rifle is unloaded and store it in a safe location.

## **Disposal Instructions**

- Dispose of the MDT ESS Chassis System Kit in accordance with local regulations.
- Do not dispose of any parts in regular household waste. Check for recycling options in your area.
- Ensure that any unusable components are rendered unusable before disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT ESS Chassis System Kit, please reach out to your retailer or the manufacturer directly for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT ESS Chassis System Kit!
