

# **ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH requires 3.85" magazine - MDT ESS Chassis System Kit Savage LA CIP 338 Lapua Magnum RH Blue**

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# Safety Instruction Guide for MDT ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage CIP 338 Lapua Magnum RH. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any damages before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings while using the product to avoid accidents.
- Use appropriate safety gear when handling firearms, including eye and ear protection.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your specific rifle model (Savage 110).
- Verify that the magazine used is suitable for the chassis system (3.85" magazine required).
- Make sure the buttstock is securely adjusted before use.
- Avoid applying excessive force when inserting or removing the magazine.
- Always keep the firearm pointed in a safe direction.
- Do not exceed the recommended specifications for the chassis system.
- Be cautious when adjusting the cheek rest and buttpad to avoid pinching.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Prepare Your Workspace

- Ensure you have a clean and welllit area to work in.
- Gather necessary tools for installation (if required).

#### 2. Remove the Existing Stock

- Safely unload the rifle and ensure it is not loaded.
- Remove the existing stock from the rifle action according to the manufacturer's instructions.

#### 3. Install the MDT ESS Chassis

- Align the rifle action with the Vblock bedding system in the chassis.
- Secure the action to the chassis using the provided screws, ensuring a snug fit.

#### 4. Attach the Forend

- If applicable, attach the 15" forend to the chassis, following the manufacturer's guidance.

#### 5. Adjust the Buttstock

- Adjust the buttstock for length of pull and cheek rest height using the thumb wheels.
- Ensure the buttstock is locked in place before use.

## 6. Insert the Magazine

- Check that the magazine is properly aligned with the magazine well.
- Insert the magazine firmly until it clicks into place.

## Usage Instructions

- Always follow safe firearm handling practices.
- Check the adjustment of the buttstock and cheek rest before each use.
- Use the ambidextrous magazine latch for easy access.
- Be mindful of the barricade stop to prevent unnecessary pressure on the magazine.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

## Contact Information for Further Support

For any inquiries or further assistance regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact their customer support directly. Always ensure that you have the correct information and resources available for your safety and product support.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your new MDT ESS Chassis System Kit!
