

# ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH requires 3.85" magazine - MDT ESS Chassis System Kit Savage LA CIP 338 Lapua Magnum RH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage Arms rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If any part of the product is damaged, do not use it until it has been repaired or replaced.
- Report any unsafe conditions or product malfunctions to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installing or adjusting the chassis system.
- Use only the specified magazine type (3.85") to avoid malfunctions.
- When adjusting the buttstock, make sure it is securely locked in place before use.
- Avoid placing excessive pressure on the magazine during use, as this can affect performance.
- Ensure that the cheek rest is adjusted properly for your comfort and safety.
- Be cautious when using the barricade stop to avoid unintended movement of the rifle.

## Instructions for Installation and Usage

### 1. Installation

- Unbox the MDT ESS Chassis System Kit and verify that all components are included.
- Ensure the rifle is unloaded and safe before beginning installation.
- Follow the manufacturer's instructions to attach the chassis to the rifle action securely.
- Adjust the forend, buttstock, and pistol grip as needed for personal comfort.
- Check that the magazine well is aligned properly for easy magazine insertion.

### 2. Usage

- Before each use, inspect the chassis system for any damage or loose components.
- Load the magazine with the appropriate ammunition and insert it into the magazine well.
- Adjust the buttstock and cheek rest to fit your shooting position comfortably.
- Always maintain a proper shooting stance and grip while using the rifle.
- After use, always clean and maintain the chassis system according to the manufacturer's guidelines.

## Disposal Instructions

- Dispose of the MDT ESS Chassis System Kit in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis System Kit, please reach out to the appropriate support channels. Ensure to have the product details available for reference.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit.
