

ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH requires 3.85" magazine - MDT ESS Chassis System Kit Savage LA CIP 338 Lapua Magnum RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage CIP 338 Lapua Magnum RH rifle. This guide provides essential safety instructions to ensure the safe usage and maintenance of your product in accordance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and its components before using the MDT ESS Chassis System Kit.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Report any unsafe conditions or accidents related to the use of this product to the appropriate authorities.

Specific Safety Precautions for Use

- Use only the recommended 3.85" magazine for optimal performance and safety.
- Ensure the magazine is properly seated in the magazine well before use.
- Avoid placing any pressure on the magazine when firing to prevent malfunction.
- Do not modify the chassis system or its components without consulting a qualified gunsmith.
- Always wear appropriate eye and ear protection when operating your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing stock from the rifle as per the manufacturer's instructions.
- Align the MDT ESS Chassis System Kit with the rifle action and secure it using the provided hardware.
- Adjust the buttstock to your preferred length of pull and cheek rest height using the thumb wheels.
- Attach the AR pistol grip to the chassis if not already installed.

2. Usage:

- Load the magazine with the appropriate ammunition and insert it into the magazine well.
- Ensure the magazine latch is engaged for secure retention.
- Adjust the barricade stop if necessary to prevent interference during shooting.
- Always check the rifle's action and ensure it is functioning correctly before firing.
- After use, remove the magazine and ensure the rifle is unloaded.

Disposal Instructions

- Dispose of the MDT ESS Chassis System Kit in accordance with local regulations.
- If the product is damaged or no longer functional, please contact local waste management services for proper disposal methods.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries or safety concerns regarding the MDT ESS Chassis System Kit, please reach out to your local dealer or the manufacturer's customer support. Ensure you have the product details on hand when making inquiries.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and usage of your MDT ESS Chassis System Kit. Always prioritize safety and follow these guidelines diligently.
