

ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH requires 3.85" magazine - MDT ESS Chassis System Kit Savage LA CIP 338 Lapua Magnum RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage 110 rifle. This guide provides essential safety instructions to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm use and ownership.
- Keep the chassis system away from children and unauthorized users.
- Regularly inspect the chassis system for signs of wear or damage.
- Store the chassis system in a secure location when not in use.
- Be aware of your surroundings when using the chassis system to prevent accidents.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the chassis system.
- Use only compatible magazines as specified in the product description.
- Do not exceed the manufacturer's recommended specifications for ammunition and accessories.
- Avoid placing excessive pressure on the magazine to prevent jamming or misfeeding.
- Ensure that the buttstock is properly adjusted to fit your body for optimal control and comfort.
- Always wear appropriate eye and ear protection when using the firearm.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the MDT ESS Chassis System Kit with the rifle action.
- Secure the chassis system using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
- Attach the adjustable buttstock and ensure it is locked in place.
- Install the magazine into the magazine well, ensuring it is properly seated.

2. Usage

- Adjust the buttstock to your preferred length of pull and cheek rest height using the thumb wheels.
- Familiarize yourself with the ambidextrous magazine latch for easy access.
- Practice safe handling and shooting techniques at a designated shooting range.
- Regularly check the stability of the chassis system and tighten any loose components before use.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management facilities for information on recycling or safe disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT ESS Chassis System Kit, please reach out to your local authorized dealer or manufacturer representative. Ensure you have your product details ready for efficient assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Always prioritize safety and compliance with local laws. Thank you for your attention to these important guidelines.
