

ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH requires 3.85" magazine - MDT ESS Chassis System Kit Savage LA CIP 338 Lapua Magnum RH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage Arms rifle. This product is designed to enhance your shooting experience by providing ultimate ergonomics and features. However, it is essential to follow the safety guidelines outlined in this document to ensure safe and effective use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the firearm is not loaded when installing or adjusting the chassis system.
- Store the chassis system and firearm securely and out of reach of children and unauthorized users.
- Regularly inspect the chassis system for wear and damage.
- Use only compatible magazines to avoid malfunction.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- Ensure that the adjustable buttstock is securely locked in place before use.
- Adjust the cheek rest height and buttpad length of pull to fit your body size and shooting style.
- Do not exceed the recommended magazine capacity.
- Be cautious when using the barricade stop to prevent accidental discharge.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Remove the existing stock from your Savage Arms rifle.
- Attach the MDT ESS Chassis System Kit securely to the rifle action using the provided hardware.
- Ensure that the Vblock bedding system is properly aligned to form a solid base.
- Install the magazine well and ensure it is properly seated.

2. Adjustments

- To adjust the buttstock:
 - Loosen the adjustment knobs and set the desired length and lateral position.
 - Tighten the knobs securely.
- To adjust the cheek rest:
 - Use the thumb wheels to set the desired height.
 - Ensure the cheek rest is locked in place before use.

3. Usage

- Load the compatible magazine into the magazine well, ensuring it clicks into place.
- Position your firearm securely and prepare for shooting.
- Use the ambidextrous magazine latch for easy access during reloading.

Disposal Instructions

- Dispose of the MDT ESS Chassis System Kit in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.

- Consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to your local dealer or authorized distributor. Ensure you have the product details ready for efficient assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Always prioritize safety and be mindful of your surroundings while handling firearms.
