

# ESS Chassis System Kit Stiller TAC338 CIP RH Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# Safety Instruction Guide for MDT ESS Chassis System Kit Stiller TAC338 CIP

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit Stiller TAC338 CIP. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully before using the chassis system.

## General Safety Guidelines

- Ensure safe use of the MDT ESS Chassis System Kit by adhering to the following guidelines:
  - Always follow the manufacturer's instructions for installation and usage.
  - Inspect the chassis system for any signs of damage before use.
  - Store the product in a safe, dry place when not in use.
  - Keep the product out of reach of children and vulnerable individuals.
  - Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- To minimize risks associated with the MDT ESS Chassis System Kit, please observe the following precautions:
  - Always use the chassis system in a controlled environment.
  - Ensure that all components are securely attached before use.
  - Use only compatible magazines with the chassis system.
  - Avoid putting pressure on the magazine when the rifle is in use.
  - Adjust the buttstock and cheek rest only when the rifle is not in use.
  - Do not modify the chassis system in any way not specified by the manufacturer.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the MDT ESS Chassis System Kit:

### 1. Installation:

- Carefully remove all components from the packaging.
- Attach the forend to the rifle action using the provided hardware.
- Secure the adjustable buttstock to the rear of the chassis.
- Install the AR pistol grip according to the manufacturer's instructions.
- Ensure that all screws and fasteners are tightened properly.

### 2. Usage:

- Before using the rifle, ensure that the magazine is properly inserted into the magazine well.
- Adjust the buttstock lengthofpull and cheek rest height using the thumb wheels.
- Familiarize yourself with the ambidextrous magazine latch for easy access.
- Always handle the rifle with care and follow standard firearm safety practices.

## Disposal Instructions

- Proper disposal of the MDT ESS Chassis System Kit is essential to protect the environment:
  - When the product reaches the end of its life, dispose of it in accordance with local regulations.

- Separate any recyclable materials from nonrecyclable components.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

- For safety inquiries or further assistance, please contact your local distributor or the manufacturer directly. Ensure you have the product details available for reference.

Thank you for prioritizing safety while using the MDT ESS Chassis System Kit Stiller TAC338 CIP. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
