

# ESS Chassis System Kit Stiller TAC338 CIP RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Stiller TAC338 CIP rifle. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with EU regulations. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store the chassis system and any associated firearms securely, out of reach of children and unauthorized users.
- Regularly inspect the chassis and all components for any signs of wear or damage.
- Familiarize yourself with the features and adjustments of the chassis system before use.
- Report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the chassis system in a safe environment, free from hazards.
- Ensure that the magazine is securely inserted before attempting to fire.
- Adjust the buttstock and cheek rest to fit your body size and shooting style before use.
- Do not exceed the recommended weight limit for the chassis system.
- Use only compatible accessories and components as specified by the manufacturer.
- Avoid placing pressure on the magazine during use to prevent malfunctions.
- Keep the area around the firearm free of obstructions that may interfere with its operation.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Carefully unpack the chassis system and all components.
- Refer to the installation manual included in the package for detailed instructions.
- Ensure all components are securely fastened before use.

### 2. Adjusting the Buttstock:

- Locate the thumb wheels on the buttstock.
- Adjust the length of pull by turning the appropriate thumb wheel.
- For lateral adjustment, loosen the corresponding adjustment knob and reposition as needed.

### 3. Setting the Cheek Rest:

- To adjust the height of the cheek rest, turn the thumb wheels located on the sides of the cheek rest.
- Ensure the cheek rest is securely locked in place before use.

### 4. Magazine Insertion:

- Align the magazine with the magazine well.
- Push the magazine firmly until it clicks into place.
- Test the magazine latch by using the ambidextrous magazine latch with either your trigger finger

or left hand.

#### **5. Using the Chassis System:**

- Ensure the firearm is pointed in a safe direction at all times.
- Use the barricade stop to stabilize the firearm when shooting from a resting position.
- Practice safe shooting habits and be aware of your surroundings.

## **Disposal Instructions**

- Dispose of packaging materials responsibly by recycling where possible.
- If the chassis system is damaged beyond repair, dispose of it in accordance with local regulations for hazardous waste.
- Do not throw away any components that may still be functional; consider donating them to local shooting clubs or organizations.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for following these safety guidelines. Your safety is our priority, and we hope you enjoy using the MDT ESS Chassis System Kit.
