

# ESS Chassis System Kit Stiller TAC338 CIP RH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your TAC338 rifle. This product is designed to enhance your shooting experience with its ergonomic features and reliable performance. However, safety is paramount. This guide provides essential safety instructions to ensure the safe use of the product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and follow all local laws and regulations.
- Ensure that the MDT ESS Chassis System Kit is compatible with your rifle model before installation.
- Regularly inspect the chassis system for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Familiarize yourself with the features and adjustments of the chassis system before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the MDT ESS Chassis System Kit with compatible nonbeavertail AR pattern pistol grips.
- If using beavertail grips, ensure minor trimming is performed for a proper fit.
- Adjust the buttstock and cheek rest to fit your body size and shooting style before use.
- Always ensure the rifle is unloaded when making adjustments to the chassis system.
- Use the Vblock bedding system to secure the rifle action properly.
- Avoid applying excessive pressure on the magazine to prevent malfunctions.
- Ensure the magazine latch is functioning correctly before loading the magazine.

## Instructions for Installation and Usage

### 1. Installation

- Carefully unpack the MDT ESS Chassis System Kit and ensure all components are included.
- Remove the existing stock from your rifle, following the manufacturer's instructions.
- Align the rifle action with the Vblock bedding system in the chassis.
- Secure the rifle action using the provided screws, ensuring a tight fit.
- Attach the adjustable buttstock and AR pistol grip according to the included instructions.

### 2. Usage

- Adjust the buttstock for length of pull using the thumb wheels for a comfortable fit.
- Set the cheek rest height to align with your sighting system for optimal visibility.
- Ensure the magazine is properly inserted into the magazine well before firing.
- Use the ambidextrous magazine latch for easy access, regardless of your dominant hand.
- Practice safe firearm handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the MDT ESS Chassis System Kit in accordance with local regulations.
- Do not discard the product with regular household waste.
- Contact local waste management for proper disposal methods of aluminum and other materials.

## **Contact Information for Further Support**

For further assistance or inquiries about the MDT ESS Chassis System Kit, please refer to the manufacturer's contact resources. Ensure you have the product information ready for reference.

Thank you for prioritizing safety and enjoying your shooting experience with the MDT ESS Chassis System Kit. Always remember to shoot responsibly and stay informed about product safety.
