

ESS Chassis System Kit Stiller TAC338 CIP RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Stiller TAC338 CIP

Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Stiller TAC338 CIP rifle. This guide provides essential safety instructions to ensure the safe and effective use of your chassis system. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when using your rifle.
- Keep the chassis system and rifle out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Use only compatible accessories and components with your chassis system.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis system.
- Always use the chassis system in accordance with the manufacturer's guidelines.
- Be cautious when adjusting the buttstock and cheek rest to avoid pinching fingers.
- When inserting or removing the magazine, ensure that the rifle is pointed in a safe direction.
- Use the barricade stop correctly to prevent unintentional pressure on the magazine.
- If using a beavertail grip, ensure that trimming is done carefully to avoid compromising safety.

Instructions for Installation and Usage

Installation

1. **Unpack the Kit:** Carefully remove the MDT ESS Chassis System Kit from its packaging.
2. **Inspect Components:** Check all components for any visible damage or defects before installation.
3. **Attach the Forend:** Align the forend with the rifle action and secure it using the provided screws.
4. **Install the Buttstock:** Slide the adjustable buttstock onto the rear of the chassis and tighten it to secure.
5. **Attach the Pistol Grip:** Fit the AR pistol grip into the designated slot and fasten it according to the instructions.
6. **Adjustments:** Use the thumb wheels to adjust the cheek rest height and buttstock length to your preference.

Usage

- When using the MDT ESS Chassis System, ensure that all adjustments are secure before firing.
- Familiarize yourself with the magazine latch and practice using it in a safe environment.
- Regularly check the integrity of the chassis system and all its components during use.

Disposal Instructions

- Dispose of the MDT ESS Chassis System Kit according to local regulations regarding waste disposal.
- Do not dispose of the chassis system in regular household waste if it contains hazardous materials.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or support related to the MDT ESS Chassis System Kit, please refer to the manufacturer's contact details included in the product packaging or on their official website.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and usage of your MDT ESS Chassis System Kit.
