

# ESS Chassis System Kit Stiller TAC338 CIP RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

## Safety Instructions

### Introduction

Thank you for purchasing the MDT ESS Chassis System Kit Stiller TAC338 CIP. This product is designed to enhance your shooting experience by providing ultimate ergonomics and features. Please read this safety instruction guide carefully to ensure safe and proper use of the product. Your safety and satisfaction are our top priorities.

### General Safety Guidelines

- Always treat the rifle as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Do not modify the chassis or any components unless specified in the user manual.
- Regularly inspect the chassis and components for wear or damage.
- Use only compatible magazines as specified in the product details.
- Follow all local laws and regulations regarding firearm use and ownership.

### Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the chassis.
- Use caution when adjusting the buttstock and cheek rest to avoid pinching fingers.
- Make sure the magazine is securely inserted before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the chassis in adverse weather conditions that may affect performance or safety.
- If you experience any issues with the chassis, cease use immediately and consult a qualified technician.

### Instructions for Installation and Usage

#### Installation

1. **Unboxing:** Carefully remove the chassis system kit from the packaging. Inspect all components for damage.
2. **Compatibility Check:** Ensure that the chassis is compatible with your rifle model.
3. **Magazine Insertion:** Before installation, ensure that the magazine is not inserted.
4. **Mounting the Chassis:**
  - Align the rifle action with the Vblock bedding system.
  - Secure the action using the provided screws. Ensure they are tightened to the manufacturer's specifications.
5. **Adjusting the Buttstock:**
  - Use the thumb wheels to adjust the length of pull and height of the cheek rest.
  - Ensure that adjustments are secure before use.
6. **Pistol Grip Installation:**
  - Attach your compatible AR pistol grip as per the manufacturer's instructions.
  - Ensure all screws are tightened properly.

#### Usage

- **Loading the Rifle:** Always ensure that the rifle is pointed in a safe direction when loading.
- **Shooting Position:** Use the adjustable buttstock and cheek rest to find a comfortable shooting position.
- **Magazine Release:** Use the ambidextrous magazine latch for easy access, ensuring your finger is clear of the trigger.

- **PostShooting:** After use, ensure the rifle is unloaded before making any adjustments or storage.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- When it is time to dispose of the chassis or any components, follow local electronic waste disposal guidelines.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis System Kit Stiller TAC338 CIP, please contact your local retailer or the manufacturer directly. Ensure you have your product details available for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Thank you for prioritizing safety and responsible firearm use.
