

ESS Chassis System Kit Stiller TAC338 CIP RH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Stiller TAC338 CIP

Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit Stiller TAC338 CIP. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Follow all instructions provided in this guide to ensure safe use of the chassis system.
- Ensure that the product is used only for its intended purpose.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis system for any signs of wear or damage.
- Do not modify the product in any way that may compromise its safety or performance.
- Report any unsafe conditions or product-related accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle action is properly secured in the Vblock bedding system before use.
- Always use the appropriate magazine for your rifle; purchase separately as needed.
- When adjusting the buttstock, ensure that all adjustments are securely locked in place.
- Avoid placing pressure on the magazine during use; utilize the barricade stop to prevent this.
- Be cautious when operating the ambidextrous magazine latch; ensure your fingers are clear of the action area.
- If using a beavertail AR pattern pistol grip, ensure that any trimming does not compromise the grip's integrity.
- Always wear appropriate eye and ear protection when using the rifle.

Instructions for Installation and Usage

1. Installation of the Chassis System:

- Carefully unpack the MDT ESS Chassis System Kit.
- Ensure all components are present: 15" forend, adjustable buttstock, AR pistol grip, and any necessary hardware.
- Follow the manufacturer's instructions for attaching the chassis to your rifle action.
- Securely install the Vblock bedding system to form a solid base for the rifle action.

2. Adjusting the Buttstock:

- To adjust the buttstock, locate the thumb wheels.
- Rotate the thumb wheels to modify the cheek rest height and buttstock length of pull as needed.
- Ensure all adjustments are firmly locked before use.

3. Using the Magazine:

- Insert the magazine into the magazine well, ensuring it clicks into place.
- To release the magazine, operate the ambidextrous magazine latch using your trigger finger or left hand.

4. **Safety Checks Before Use:**

- Always check that the rifle is unloaded before handling.
- Inspect the chassis system for any loose components or damage.
- Ensure that the area is clear of obstructions and bystanders before proceeding.

Disposal Instructions

- Dispose of the MDT ESS Chassis System Kit in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on proper disposal methods for aluminum and other materials.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit Stiller TAC338 CIP, please refer to the manufacturer's official website or contact your local retailer for assistance.

Note: This guide is designed to help ensure your safety and the product's effective operation. Always prioritize safety and adhere to the guidelines provided.
